

UQ Health Care Gatton

Stay healthy while studying at university!

We are a not-for-profit accredited general practice specialising in student health, fully owned by the University of Queensland.

- Long tradition of excellent care for students
- Our friendly team are here to answer your questions and concerns with confidentiality assured
- GP available Wednesdays and Thursdays
- Nurse Practitioner available Monday, Tuesday, Friday
- We help you take an active role in your health
- We manage common mental health issues that affect students, like academic stress, depression, anxiety, self-esteem and body image issues
- Services are provided at no cost to students with Medicare cards or Allianz cover

(rebates available for other health funds)
