

GATTON

We are a not-for-profit accredited general practice specialising in student health, fully owned by The University of Queensland.

- Long tradition of excellent care for students
- Our friendly team address your questions with confidentiality assured
- We help you take an active role in your health
- We manage common mental health issues that affect students, like academic stress, depression, anxiety, self-esteem and body image issues
- Services are provided at no cost to students with Medicare cards or Allianz cover
(Rebates available for other health funds)

uqhealthcare.org.au
